

## 2026 Blood Banking/Transfusion Medicine (BBTM) Exam Schedule

- Breaks include: four 15-minute optional breaks and one 60-minute lunch break.
- You ***are not*** required to take ***any*** break or you may return early from a break, so your exam day can be shorter than the allotted time.
- If you wish to continue your exam at a 15-minute optional break, select “Continue Exam” in the bottom right corner of the screen to begin the next section.
- If you decide to take the 15-minute optional break, click “Begin Break” ***raise your hand*** and the proctor will log you out of the exam.
- At the 60-minute lunch break, ***raise your hand*** and the proctor will log you out of the exam. If you ***choose not*** to take the 60-minute lunch break, inform the proctor that you would like to continue with your exam.
- You ***MUST LEAVE*** your testing station during all breaks you choose to take; breaks cannot be taken at the testing station.
- At the completion of each break, you will be accompanied back to your testing station and the proctor will log you in to continue your exam.
- If you return late from a break, the excess time will be subtracted from the next section’s allotted time.
- If you take an unscheduled break during your exam, the test time will not stop.
